

## Del Rods visits The Hospital for the chronically ill!

Jennifer Bobel, Volunteer Services Coordinator invited members of The Del Rods Car Club of Dover, to display their rides for the enjoyment of their residents. On Tuesday, July 25, 2017, 7 members participated in the event and residents were able to get an up close inspection of the cars and trucks, ask questions and tell their own “car crazy” stories. It was a real treat to meet and greet everyone. It was a great time!
