The Del Rods Club is organized to promote interest in various types of street rodding as a non-profit organization. It seeks to create good fellowship and sportsmanship among all club members, and to uphold the principle of good government. It also conducts Club functions and activities in a manner befitting members of the street rodding sport among members of the public, press and law enforcement agencies. It also strives to promote safe driving, automobile maintenance and overall vehicle operation. The Club is incorporated according to the Laws of the State of Delaware.

Del Rods was founded in 1974. We have been hosting a Cruise Night the last Saturday of the month from April through October since 1985, and recently have added another Cruise Night on the Second Saturday of the month. We also put on car Shows at our Cruise Night location and other locations throughout the Spring, Summer, and Fall.
