The 2018 car show and cruise-in season is in high gear!

Nearly every weekend, there's a function being held to attract those of us who are a bit crazy over cars and trucks. In fact, after attending the All Clubs Breakfast and gathering a stack of flyers, I'm convinced the competition will be unprecedented this year. It is interesting to learn the various reasons why someone will attend one show/cruise versus another. Distance plays a part in that decision as does whether an owner wants to drive their ride as much as possible. The bottom line seems to be a common love for the internal combustion engine and, well, going fast.

We now have one show and two cruises under our collective belts. The turnout has been quite impressive. It's a duty for each member to make attending our functions an enjoyable experience for our guests and each other. Let's keep up the great work! Speaking of "work", a gigantic thank you to everyone who has participated in the workings of our functions.

Thanks again for giving me the opportunity to represent you as President.

Warren W. Hensley
