Del-Rods Car Club

Founded 1974

As they say in the movie business, "That's a wrap";

And so it is with the 2018 car show and cruise in season. Our Fall Wrap Up Show was great despite Mother Nature forcing us to use a rain date. In fact, the weather really was not very kind to us this year, yet, we persevere.

A car show trend has developed over the last two years that has lead to the number of car shows on DelMarVa increasing exponentially. As we develop our 2019 schedule, we have some new opportunities to stand out from the crowd. Attendees are looking for new and different venues that capture their attention. In many cases a unique venue will be the deciding factor in their choice of which show to display their ride.

As I depart the office of President, I continue to wish all the best for this club. I urge all members to become active, be supportive, promote good fellowship and work to help keep the hot rod/collector car hobby alive and well. I sincerely appreciate the support I've received during the 2017 & 2018 seasons.
