2017 Photo of the year!

And the winner is Dan Lee!

In, what I hope will be an annual event, a photo will be selected which will depict something rare. Over the last 10 months, I've looked at dozens of photos taken at our many functions. The photo below tells it all! Thanks to Dan for being a good sport but, more importantly, giving us a tremendous reminder that a smile can do so much good! So, as we get into the 2018 season of "car craziness" keep in mind the candid camera will be watching.
